

GOTTLIEB

Achieving Optimal Revenue Results

Our deep understanding of the industry's climate frees our partners to focus on what matters most, providing the highest level of care to patients.

Gottlieb is a leader in end-to-end Revenue Cycle and Practice Optimization solutions. Our technology-enabled and personalized services are designed to simplify and compliment the financial experience for our healthcare providers and their patients. Our service oriented and tenured teams work with you to understand your business, your challenges, and your opportunities to improve financial performance across the entire revenue cycle.

We partner with hospital owned and independent physician groups:

**EMERGENCY
DEPARTMENTS**

HOSPITALISTS

For us, full service is performing all functions of Revenue Cycle and Practice Optimization and pricing it so that there are no surprises. That's why these solutions are always included with our offerings.

- ▲ Coding & Compliance
- ▲ MIPS Reporting & Education
- ▲ Physician Education
- ▲ Managed Care Strategy, Financial Modeling, and Negotiations
